Quintessential fishing village redefines 'home' for boaters traveling to the Florida Keys

Coastlines magazine has always brought you the best in Palm Beach County boating and now we will feature great destinations within easy reach of our local waters.

With clear blue-green waters and a sun that shines most of the time, the number one recreation in the Florida Keys is watersports. And boaters don't even have to choose between oceanside or bayside because they can have the best of both worlds!

With claims of fame including being the "Dive Capital of the World" and the "Sport Fishing Capital of the World," there are plenty of reasons to take your boat south when you're looking for fun. Palm Beach County boaters already know and love the tropical, laid-back climate of the Florida Keys. Visitors appreciate how it relaxes and invigorates at the same time. With the wealth of water activities and the beautiful underwater landscape just a few hours from home, Palm Beach County boaters are fortunate to be able to take boats to Florida's Keys as often as our schedules will allow. Representing a new concept that offers comfortable luxury in the Florida Keys, Coral Lagoon Marina Resort is now open for vacationing boaters seeking the definitive Keys getaway: first-class contemporary accommodations and the finest boating and fishing amenities.

Coral Lagoon is an exclusive, waterfront resort ideally situated in Marathon in the heart of the Florida Keys, less than two miles from Marathon Airport. Located on nearly six acres of lushly landscaped property, the charming and intimate resort offers 25 richly decorated, yet casually themed, classic Key West Conch-style cottages and marina homes, as well as an elegant resort-style pool.

A boater's paradise, Coral Lagoon boasts an onsite, full-service marina and five minute access to both the Atlantic Ocean for blue water offshore fishing and the Gulf of Mexico for back country, tarpon, permit and wreck fishing. "Coral Lagoon is designed to address every fishing and boating need, as well as provide our guests with superlative, luxury accommodations," said Captain Patte Boggs, manager of Coral Lagoon Resort & Marina.

Highly personalized services—including an on-site dock master—are available to guests at Coral Lagoon, catering to the needs of the most avid boater and angler. Additional amenities include:

- Full service marina
- State-of-the-art dry storage facility accommodating boats to 36 feet
- Wet slips accommodating boats to 50 feet
- Fuel: gas and diesel
- Dockside Marina Store
- Fish cleaning stations
- Boat motor repair services
- Boat rentals
- Charter fishing with the top captains in the Keys
